Kendrick confirmed his disappointment in the performance and was accepting of the fact that the horse was not entirely suited to the distance, however was concerned that the horse could not muster any early speed and stay in touch with the main body of the field. He indicated that he would have veterinary tests performed in the coming days, the results of which he would report to stewards. A post-race veterinary examination revealed no significant findings.

S. Comments:Bumped with another runner on jumping. When questioned regarding the tactics adopted, jockey L. Tarrant stated that his intentions were to take up a forward position and lead if possible, however the filly was unable to show the necessary speed in the early stages and when an opportunity presented to shift in towards the fence, he took that opportunity rather than be caught wide. He added that the filly was not entirely comfortable in today's prevailing track conditions, which he believed may have contributed to today's disappointing performance.

Added attempted to comply with instructions and improved forward however, filly failed to show necessary speed and instead of being caught wide elected to obtain a position with cover towards rear of field. Added filly ran on fairly over concluding stages and in his opinion would appreciate a step up in distance. Vetted - no abnormalities.
