S. Comments:Trainer D. Heinemann was questioned regarding the horse's seemingly improved performance. He indicated that the horse, in his opinion, raced well at its last start at the Sunshine Coast as it was only beaten 5 lengths. He added that at its most recent start at Gympie the horse received severe interference during the early stages and had to be checked and this had a detrimental effect on the overall performance. He further added that he had expected a more forward showing tonight, however was somewhat surprised with the horse's win.

S. Comments:Slow to begin before mustering speed under hard riding to occupy a forward position. When questioned regarding the seemingly disappointing performance of the horse, which started a short-priced favourite, rider J. Lloyd explained that his instructions were to make use of the favourable barrier and after beginning slowly he then elected to push forward on the colt as it had led in its most recent trial. He also noted that the horse made some abnormal respiratory noises in running and had to work hard to hold a position. He also noted that the horse may have choked down and was disappointing.

She added that in the lead up to today's event the gelding had worked well and had won a recent barrier trial at Beaudesert and she expected a forward showing today.
