When questioned re tactics, Rdr explained given no specific instructs other than have filly settle where comfortable-said envisioned more speed shown by outside runners which would have allowed to find a midfield position with cover, but did not eventuate-added near 1400m attempted to secure cover but was unable to do so & caught 3 wide-further said allowed mount to stride to outside lead near 1000m rather than remain 3 wide without cover. Tnr preference was to have filly settle with cover, however given circumstances was not critical of decision to go forward.
