Wakefield stated no specific instructions issued to the rider other than to seek cover and attempt to race midfield from its wide barrier being the gelding's first start over this distance. Rider B. Grylls said her mount raced keenly early and she was unable to place it in a position with cover and elected to race near the tail of the field. She added that when the pace steadied near the 1300m the gelding settled and from that point on she had a trailing position, however she was forced to race wide after leaving the 600m. He indicated he would gallop the gelding, before having an endoscopic examination performed and would report the results back to stewards. A post race veterinary examination failed to reveal any significant abnormalities. Mr Smith advised that the endoscopic examination was clear and the horse subsequently barrier trialed in blinkers and performed well. He indicated that he would add blinkers to the horse's gear as a result.

S. Comments:Stewards interviewed trainer T. Thomas regarding the performance. He indicated at the horse's most recent start it had been a long time between runs and he had freshened the horse up in order to start the horse over the distance of 1200m. He added the horse had some difficulty securing clear running at this start and he was not surprised by the forward showing in today's event when stepped up to 1600m.

S. Comments:Trainer questioned re improved performance - reported whilst pleasantly surprised he was of the view that its inside barrier draw, which enabled it to race closer to the lead as compared to its previous starts, was beneficial to its performance today. Mr Miller advised it would now be his intention to step the colt up in distance from that of today's event. His explanation was noted.

S. Comments:Raced 3 wide throughout. Inquiry re tactics adopted, in particular in the early stages when jockey Powell appeared to have opportunity to continue forward when wide and take a position closer to the fence. He said he attempted to steady thinking his mount would not be able to persist forward to lead, and would be more likely to position closer to the fence at the tail of the field, however he was caught 3 wide, but with hindsight agreed it may have been a better option to go forward. Stewards advised him whilst they felt he erred, they felt it was not unreasonable in the circumstances.
