S. Comments:After being slow to begin, hampered. Held up for clear run on entering the home straight. Rdr reported after beginning only fairly settled further back than intended as instructed to settle in a handy position if possible-said due to the tempo in the middle stages, was held up for clear run until shifting out in the straight where mount found the line well-added gelding would derive benefit from run & would appreciate a step up in distance. A post race vet exam revealed no abs.
