King was advised that the horse would require a veterinary clearance prior to its next race start.

He stated the horse raced quite greenly in the early stages and overraced badly at heels. Apprentice Huxtable added he was obliged to shift out to avoid heels approaching the first turn and as a result raced wide from that point onwards and allowed his mount improve into the race. He added that the horse's manners in the early stages did have a detrimental effect on the horse's overall performance, and the horse despite this ran on fairly.

S. Comments:When questioned by Stewards in relation to the seemingly improved performance, trainer M. Kropp advised that the instructions were for the mare to be in a handy position today if possible. He added that, after beginning well from the inside barrier, the mare was able to lead without pressure, and with the step up in distance it was able to dictate the tempo to suit. He went on to say that the mare was down significantly in class for today's race, and when ridden in this manner it has previously performed well. Stewards noted the explanation.
