S. Comments:Laid out under pressure in the home straight. When asked to comment on the performance, R. Stewart indicated that the tempo of the race was slower than he would have liked and that he had anticipated being a little bit further back in the field, however, felt that the horse travelled comfortably until being asked to respond approaching the home turn and did not quicken. He felt that the horse having its first run this preparation over 1400m may have had an effect but he could offer no explanation for the performance, which he felt was disappointing.

After becoming fractious in the enclosure and making contact with the enclosure fence, the mare was examined by the veterinary surgeon upon arriving at the barriers and cleared to start. Disappointed for a run passing the 300m to the outside of YOUR OPTION and to the inside of SUPER LEON, and was then held up for clear running until passing the 50m and went to the line without being fully tested.

S. Comments:Jumped away awkwardly and lost ground. When asked to comment on the performance, which was below market expectations, jockey C. Brown stated that after being slowly away he was placed further back in the field then he had intended, and during the early and middle stages of the race when the pace was only steady, the colt overraced and, in his opinion, this had a detrimental effect on its finishing effort. He indicated that, in his opinion, the horse may not run out a strong 1600m. A post race veterinary examination revealed a mucus discharge in both nostrils and increased lung sounds.
