When questioned regarding the tactics adopted in the home straight as to why he did not take an available run to the inside near the 200m, apprentice M. Schrapel advised that initially he committed his mount to the outside and by the time he was able to change course to the inside the run was closing and he did not feel it was safe to pressure his mount to improve into that position. Stewards noted the explanation.

He said that he looked to improve to one off the fence after passing the 800m and was able to do so. He added that a short distance after leaving the 600m he would have liked to improve more into the race, however was held up momentarily and was afforded clear running when rounding the home turn and found the line only fairly and in his opinion was somewhat disappointing in the run to the finish.
