S. Comments:Change of tactics. To be ridden further back in the field if circumstances permit. Apprentice T. Williams was asked to comment on her reasons for riding the horse the horse in a forward position. Miss Williams confirmed she had been instructed to ride the horse further back in the field, however the horse began the race very well and rather than dramatically restrain the horse she elected to shift across to the fence when a view that horses to the outside may cross her and afford her cover. However this did not occur and she was obliged to race in the forward half of the field. Stewards noted

In this incident, SINGLE LASS was also steadied when placed in restricted room and had to be checked to avoid the heels of UNDERTHEMISTLETOE. S. Comments:Began awkwardly and lost considerable ground. Jockey B. Stewart explained that after being moderately away and travelling in a rearward position the gelding never really travelled throughout the event and when placed under pressure rounding the home turn failed to respond to his riding and proved disappointing. Jockey Stewart was of the opinion that the gelding may not have backed up from its run the previous week. A post-race veterinary examination revealed no significant findings, however the veterinary surgeon noted that the horse is a recognised roarer.
