S. Comments:Slow to begin. Jockey questioned regarding the riding and performance of the gelding said that he pressured gelding to maintain contact with the rear of the field. His mount raced dour in the early and middle stages and he was of the opinion that it was looking for races over a longer distance. He was mindful of the heavy impost of 59kg and added that the gelding had come to the end of its preparation. Trainer L. Rowe confirmed that the horse will now be spelled.

He also added that near the 800m he had considered shifting the horse wider and improving outside the leader, however did not wish to expose the mare without cover too early in the event, and indicated the steady pace in the event had a detrimental effect on his horse's finishing effort as it failed to quicken entering the home straight.
