Brooker held her position one off he was then forced to race 3 wide. He further added that as the pace was only moderate in the early stages he elected to improve his position leaving the 800m and continued to race 3 wide, and, in his opinion, the gelding only finished the race off fairly. S. Comments:When asked to comment on the performance of the horse, jockey J. Orman indicated that from the wide alley he had been instructed to obtain cover and therefore he took hold from the barriers, and whilst he settled 3 wide was satisfied with the cover he had obtained. He then indicated he was able to improve into the race after passing the 600m and was very satisfied with the horse's finishing effort. Jockey Orman was of the opinion that the horse's performance was significantly affected by the slow tempo set throughout the event.

S. Comments:Stewards questioned jockey R. Fradd regarding the tactics adopted on the gelding, particularly the reason for him not taking a trail in the early stages behind QABLA. Jockey Fradd explained that LASCAR is one-paced and he was instructed to ride the horse in a handy position and for this reason he thought it would be detrimental to the horses chances to settle at the rear of the field. He added that he attempted to increase the pace in the back straight with a view to racing outside the leader, GOULDIAN, however LASCAR did not quicken and, in his view, was most disappointing today. Added after beginning on terms with runners drawn to inside concerned that if he elected to push forward he would be caught wide and thus restrained in an attempt to secure clear running, resulting in him racing further back than originally anticipated.

He said that rounding the home turn the horse was unable to quicken with the remainder of the field, however once placed under pressure in the straight, although it was inclined to lay in, it then finished the final 200m of the race off nicely. He added that he was of the opinion that the gelding may now be looking to be stepped up in distance.

S. Comments:After taking a trailing position behind TRUE PASSION, was then taken back through the field after passing the 800m when that runner commenced to lose ground, and then had to check away from that runner passing the 700m and shifted wider. Shifted out to improve near the 200m and made contact with another runner and was then held up approaching the 100m and did not obtain clear running over the concluding stages.
