Trainer explained that when it arrived in Queensland and raced poorly at Doomben it was revealed mare was suffering from a virus and was found to have a high temperature. Added the mare then received veterinary treatment for that ailment however, he had failed to adhere to his obligations under AR140(c) and was found guilty of a charge under that Rule in that he had failed to report a condition which may have affected the mares performance at its last start. S. Comments:Hampered shortly after the start when tightened for room between runners. Held up in the early stages of the straight and altered course to the outside near the 200m. M. McGillivray was questioned regarding why he did not take a run between TIYATROLANI and LIPSYNC after leaving the 300m. He stated that whilst the run opened for him momentarily, his mount was laying in and not in a position to capitalise on the run before it closed. The explanation was noted.
