S. Comments:Connections advised that it would be the intention for the horse not to lead but to obtain cover. The horse was ridden accordingly and, due to the slow pace set in the early stages, overraced badly and was restrained from heels on a number of occasions prior to the 800m and at that point shifted wider on the track and raced wide from that point onwards. Bumped by another runner when it was obtaining clear running rounding the home turn.

S. Comments:Began awkwardly. When questioned regarding the horse's performance, D. Smith could offer no explanation other than that the gelding raced flat today. Trainer's representative Mr M. O'Leary agreed that the gelding raced somewhat flat today and added that in light of today's performance the stable will now review the current preparation of the gelding which may include sending it for a spell. A post-race veterinary examination revealed no significant findings and a swab sample was taken.
