Wiggins elected not to pressure his mount over the concluding stages as he felt the horse was awkward in its action. A post race veterinary examination revealed the horse to be suffering from cardiac arrhythmia and connections were advised that a veterinary certificate must be provided, including the results of an ECG test prior to its next race start, and the gelding must trial satisfactorily prior to its next race start.

Rider questioned re racing in a rearward position - stated originally his intention to race forward however, after jumping only fairly good himself racing three wide to the outside of FRESPANOL. As such rather than be caught wide he obtained cover following FRESPANOL, expecting that horse to maintain a forward position. Soon afterwards runners to the outside crossed FRESPANOL which resulted in his mount racing further back than he would have liked.
