Kemp, was questioned regarding his whip action over the concluding stages when joined by Lever Lever, which shifted out under pressure. Stewards found that whilst apprentice Oliver had changed his whip action, they were not of the opinion that his action had changed to the extent that a breach of the rules had occurred.

S. Comments:Rider questioned re tactics, particularly approaching the 1800m. He said he had been instructed to ride the gelding off the fence, and passing the winning post on the first occasion he elected to shift out and race to the outside of COLLATERAL, however, COLLATERAL then shifted out, forcing him 3 wide from the 1600m, and he raced three wide thereafter. Trainer M. Wilson expressed some disappointment in jockey Fradd's ride in that after being caught wide in the early stages he would have expected him to ride forward and take up a position closer than being forced to race in a 3 wide position.

He added that the horse also appreciates the distance of today's event of 1400m, and noted that today he removed the blinkers, which may have assisted the horse's chances.

S. Comments:Raced fiercely in the early and middle stages of the race. When asked to explain the disappointing performance, rider stated that when he was unable to cross and obtain the lead in the early stages, it commenced to race very fiercely and weakened in the home straight. He added it may have come to the end of its current preparation. A post race veterinary examination failed to reveal any significant abnormalities. Trainer indicated to stewards that it was now his intention to send the gelding for an immediate spell.
