S. Comments:When questioned, apprentice C. Bayliss stated that his instructions were to race in a rearward position, however, after jumping reasonably well and with a number of runners to his inside, rather than be caught wide he elected to race in a forward position, however, once obtaining the lead he steadied the pace in front which resulted in other horses improving around his outside and them taking up forward positions.

 S. Comments:Hampered at the start and lost ground. When questioned regarding the seemingly improved performance, Trainer A Coome explained that the gelding has only recently been transferred into his stable and was having its second start for him today. He added that he was not overly confident of the geldings winning chances today but he has been pleased with the geldings track work leading into todays event. Stewards noted his comments.

 S. Comments:Forced wider on track leaving 800m. Raced 3 wide without cover for remainder of event. When questd as to performance Jockey A Chau stated the gelding was under pressure passing the 700m and proved disappointing. Jockey Chau was unable to offer any explanation for the disappointing performance. A post-race vet. exam revealed no abnormalities. Stable representative M Sharpe was of opinion that the gelding may be better suited when ridden less aggressively early and may be better suited on a bigger track. Ms Sharpe undertook to advise stewards of any abnormalities that may come to light.
