S. Comments:Slow to begin and tightened between runners on jumping away, having to be steadied. Trainer S. O'Dea's stable representative indicated that in hindsight the horse may not have appreciated racing in a cross-over nose band last start and again in today's event. He said that at its last start the horse did not show its customary early speed and was slowly away again in today's event. He indicated that in light of today's performance, the horse would likely be sent for a spell. Stewards advised him that the horse will be required to trial prior to its next start. A post race veterinary examination failed to reveal any significant abnormalities. Trainer's representative Mr M. Henderson indicated they would have veterinary tests performed during the week and would report back to stewards the results. He also added that, in his opinion, the horse may not have appreciated the soft racing surface.

He added that with the fast tempo today the horse travelled in a comfortable position without being exposed too early, which was consistent with its runs prior to its last start in which it perform creditably.
