Stewart advised that it was his intention to ride the horse in a similar manner to that at recent starts and save it for a late short sprint, however, when SET THE BAR HIGH broke down passing the 700m and he elected to shift out to avoid interference, his mount was left racing without cover earlier than he would have liked. He added that the mare loomed up rounding the home turn, however, over the concluding stages proved disappointing. He further stated that having the mare exposed much more earlier than he would have liked may have had a bearing on its finishing eff

S. Comments:Began awkwardly making heavy contact with the barrier partition. J Byrne reported that his mount travelled strongly throughout, despite settling further back in the field than he would have liked, however when asked to improve from the 500m the gelding failed to respond. Post race vet examination found the horse to have a poor post race recovery and was found to be making an abnormal respiratory noise. Trainer T Gollan advised stewards that an endoscopic examination would be performed on the horse and he will report the findings to stewards.
