Temujin Khan 55.5 1, 8.20 LEN, 1-40.66 35.83 S. Comments:Steadied to avoid heels near the 800m. Momentarily steadied approaching the home turn. When questioned, rider said after beginning well he obtained the lead, however at the 800m he allowed another runner to cross him. He said from that point the horse proved one-paced and failed to sprint as he expected and ran on only fairly in the straight. He added that bearing in mind the manner in which the horse finished the race off, in his opinion it may have been a better option maintaining the leading position rather than allowing his mount to be crossed. S. Comments:Questioned re: leading - App stated not given specific instructions but to settle where comfortable. Sufficient speed early to settle midfield with cover but after began well rode forward and travelled comfortably in lead. Trainer confirmed instructions and expected to settle in similar position in second half of field. Trainer noted horse up in distance and had previously raced forward but had recently been tardy away. Can overrace when ridden forward after slow to begin hence instructions to settle where comfortable. Will instruct to ride forward if horse begins well in future
