On Returning to scale apprentice Y Lewis reported that the gelding failed to muster early speed as per its customary racing pattern, however she did state that the gelding settled further back than she had anticipated despite her urgings. Apprentice Lewis added that the gelding made some late ground, however, would be much better suited in races over a greater distance than today's event. A post-race veterinary examination failed to reveal any

Jockey R Fradd advised that the gelding did not show the speed that he had anticipated as he felt he would have been able to cross the runners drawn to his inside in the early stages. He added that when unable to cross the runners to his inside, he was forced to race wide throughout, however in his opinion the gelding raced somewhat flat in today's event.
