| S. Comments: Slow to begin, raced wide without majority of the race. Stewards inquired into performance and riding tactics. App stated gelding had travelled well from the 600 metres, made ground wide around the field and was a good performance. Trainer was satisfied with the ride however was of opinion the gelding had failed to finish the race off, may have resented the tongue tie and would look to remove for its next start. Stewards were concerned with the apparent lack of vigour over concluding stages, however given the apprentice's experience and her admission of not being a strong rider, no action. |                      |                     |                             |
