A post-race veterinary examination revealed no apparent abnormalities. Trainer S. Kendrick stated that he was satisfied with the gelding leading into today's event and thought that it had performed well in two recent jump-outs at the Sunshine Coast. He added that the horse may not have appreciated today's shifting surface. He advised that the gelding would undergo a veterinary examination in coming days. S. Comments:After being moderately away from wide barrier restrained with cover, however, unable to do so and restrained to a rearward position to obtain cover. After passing the 900m commenced to over-race and had to be restrained from heels on a number of occasions. G. Colless explained at its last start it raced more forward from inside barrier whereas today from wide barrier unable to hold a more forward position and in his opinion with track favouring horses racing in a forward position ridden back today may have been detrimental to geldings chances. Stewards noted the explanation.
