S. Comments:When questioned in relation to the tactics in leading in today's event which was in contrast to its established racing pattern, jockey T. Marshall stated whilst he had been instructed to ride in the forward half of the field, he had been advised that he should attempt to obtain cover. However after travelling a short distance it became apparent he would not be able to secure a position closer to the fence with cover, and therefore near the 1200m he elected to allow the horse to stride forward and assume the lead passing the 900m.

Stewart advised connections that, in his opinion, the horse would benefit from a spell as he felt the horse had come to the end of its preparation. Trainer's representative Mr M.
