He added that approaching the first turn jockey Fradd had placed some pressure on him when OF THE DAY attempted to shift in and force him towards the rail, however he was intent on holding his position. S. Comments:Stewards questioned B. Grylls regarding the tactics she adopted in the middle stages when she steadied her mount after having secured the lead, which resulted in her being in a trailing position. She stated that approaching the 1200m she did not wish to have to pressure her horse to hold the lead when HIDDEN GOLD improved to her outside so she elected to steady and allow that runner to cross. She added that shortly thereafter RED CHANDELIER improved to a position inside her heels and she was obliged to settle in the position one off the fence. Stewards noted the explanation.
