Inclined to lay in under pressure in the home straight and was obliged to steady when awkwardly placed at heels, however failed to run on in the home straight. Jockey N. Day was asked to comment on the performance of the horse. He indicated the horse did prove somewhat difficult to ride in the straight and was disappointing in the run to the line. Trainer M. Mair reported that, in his opinion, the horse did not appreciate the short back up from its last start and he would now be sending the horse for a spell. A post race veterinary

Rider comment re performance - stated gelding not entirely comfortable in its actions in the track conditions and after pressuring his mount from the 600m it failed to respond to his riding and once entering the home straight when out of contention he desisted from pressuring his mount for the remainder of the event. Vetted - no abnormalities.

S. Comments:When questioned in relation to the tactics in leading in today's event which was in contrast to its established racing pattern, jockey T. Marshall stated whilst he had been instructed to ride in the forward half of the field, he had been advised that he should attempt to obtain cover. However after travelling a short distance it became apparent he would not be able to secure a position closer to the fence with cover, and therefore near the 1200m he elected to allow the horse to stride forward and assume the lead passing the 900m.
