When questioned in relation to the tactics adopted in todays event, Jockey N Fazackerley reported that he was mindful that the gelding lacked a finishing sprint and as the pace of today's race was slow in the early stages, he elected to improve his position in the middle stages. He added that once he was able to cross and lead passing the 1200m, his mount weakened noticeably and ran to the line in a disappointing manner. Mr Richardson did however advise that upon arrival at this stable the horse had been very unruly and difficult to handle. He advised that through training methods to improve its behaviour, it had commenced improving in its trackwork and its final 2 gallops in preparations
