Rider said was instructed to position back back in the field and after beginning well from a wide alley in order to fulfil instructions he took hold to take a trailing position. He said after the crossing when placed behind other runners near the 600m his mount commenced to race greenly and he had to pressure his mount, and the gelding laid in under pressure in the home straight. He felt it would benefit from the addition of blinkers and stepped up over more ground. Trainer agreed with those, adding it may race in a more forward position next start. After returning to the enclosure SLEEP TIGHT underwent a full vet exam which failed to reveal any abnormalities. Trainer advised that he would have a further vet exam conducted in coming days, the results of which he will report to stewards. Mr O'Dea was advised that pending any further information, he will be required to produce a veterinary clearance for SLEEP TIGHT and the filly must trial satisfactorily before racing again.
