Orman said he would have liked a more more genuine pace, but after being slow out tried to restrain to gain cover and cross closer to the rail, but the horse raced keenly near the 1000m and was obliged to race 3 wide, then after improving rounding the home turn behind Stonecast his mount started to lay in on straightening and had to pull the whip through to the off side and felt this allowed STONECAST to sprint quickly away. He said the horse finished the race off fairly and may benefit from a step up in distance.

Had to be steadied away from heels approaching the 600m. Jockey L. Cassidy reported that after having to restrain his mount from heels near the 1100m and being forced wider at the 600m, he was disappointed with its finishing effort in the home straight. A post-race veterinary examination revealed no significant findings. A swab sample was taken.

S. Comments:Raced wide during the early stages. J. Byrne reported that he was somewhat disappointed with the horse's performance and indicated that in his view the gelding does not run out a strong 1600m. He was also of the view that as the horse was backing up from a week ago, he felt that this also contributed to the performance. He advised that connections indicated they would consider sending the horse for a spell.
