 S. Comments:When questioned regarding his riding in the early stages jockey D. Browne stated that after beginning fairly he attempted to position one off the fence by forcing SPUR LE JOUER closer to the rail, but when apprentice T. Brooker held her position one off he was then forced to race 3 wide. He further added that as the pace was only moderate in the early stages he elected to improve his position leaving the 800m and continued to race 3 wide, and, in his opinion, the gelding only finished the race off fairly. A post race veterinary examination revealed lameness in the off hind leg. Connectio

S. Comments:When asked to comment on the performance of the horse, jockey J. Orman indicated that from the wide alley he had been instructed to obtain cover and therefore he took hold from the barriers, and whilst he settled 3 wide was satisfied with the cover he had obtained. He then indicated he was able to improve into the race after passing the 600m and was very satisfied with the horse's finishing effort. Jockey Orman was of the opinion that the horse's performance was significantly affected by the slow tempo set throughout the event.

S. Comments:Stewards questioned jockey R. Fradd regarding the tactics adopted on the gelding, particularly the reason for him not taking a trail in the early stages behind QABLA. Jockey Fradd explained that LASCAR is one-paced and he was instructed to ride the horse in a handy position and for this reason he thought it would be detrimental to the horses chances to settle at the rear of the field. He added that he attempted to increase the pace in the back straight with a view to racing outside the leader, GOULDIAN, however LASCAR did not quicken and, in his view, was most disappointing today. Trainer T. Sears reported that when the horse returned to his stables it appeared to be distressed, and he advised that it may be the case that the horse has a virus. Mr Sears advised Stewards that he would have blood samples taken from the horse in the coming days, and would report any findings to Stewards.

S. Comments:Apprentice M. McGillivray reported that the gelding raced three wide but with cover throughout, was off the bit and in his opinion raced flat. He said that rounding the home turn the horse was unable to quicken with the remainder of the field, however once placed under pressure in the straight, although it was inclined to lay in, it then finished the final 200m of the race off nicely. He added that he was of the opinion that the gelding may now be looking to be stepped up in distance.

He stated that, having its first for the stable, he had been instructed to ride the gelding quietly from its wide barrier and settled at the rear of the field, however he was disappointed with the way the gelding finished the race off, adding that it was inclined to lay in under pressure. Trainer T. Edmonds confirmed the instructions to ride the gelding quietly. Mr Edmonds was advised that should these instructions change, he would be expected to notify the stewards of a change of tactics.

S. Comments:When questioned regarding his tactics, apprentice J. Guthmann-Chester stated that over a longer distance the gelding had been ridden forward and he was instructed to have the gelding in a similar position today, however in hindsight he agreed that he should have steadied near the 1000m instead of waiting until the 800m.
