S. Comments: When asked to comment on the performance of the gelding, jockey J. Byrne stated his instructions were to obtain a trailing position in order to give his mount a chance to finish the race off. He added that after settling in that position and asked to quicken rounding the home turn, the gelding failed to respond to his riding and, in his opinion, failed to handle the heavy track conditions.

speed in the early stages and he was obliged to pressure the horse through	ughout in order to hold	d its position. He add	led that the horse was doing its best work
over the concluding stages and would be better served stepping up in di	stance when able to se	ecure a position clos	er to the speed.
