S. Comments:Connections advised that it would be the intention for the horse not to lead but to obtain cover. The horse was ridden accordingly and, due to the slow pace set in the early stages, overraced badly and was restrained from heels on a number of occasions prior to the 800m and at that point shifted wider on the track and raced wide from that point onwards. Bumped by another runner when it was obtaining clear running rounding the home turn.

S. Comments:Began awkwardly. When questioned regarding the horse's performance, D. Smith could offer no explanation other than that the gelding raced flat today. Trainer's representative Mr M. O'Leary agreed that the gelding raced somewhat flat today and added that in light of today's performance the stable will now review the current preparation of the gelding which may include sending it for a spell. A post-race veterinary examination revealed no significant findings and a swab sample was taken.

S. Comments:Jumped awkwardly and then was checked shortly after the start when tightened for room. Finished a distant last. A post-race veterinary examination revealed lameness in the near foreleg and a laceration to the near fore cannon. Connections were advised that the horse will require a veterinary clearance prior to racing again.

S. Comments:Began awkwardly. After passing the 1000m, laid in and away from SUZI BEL and in doing so made contact with the hindquarters of DECODER and lost some ground. When asked to comment on the performance, Jockey D Griffin explained that the gelding travelled comfortably in the early stages and when the speed slackened in the middle stages the gelding was left flat-footed in the sprint home over the final 400m. He further added that he was not disappointed with the performance but felt the tempo of the race may not have entirely suited the gelding today.
