S. Comments:When asked to comment on the performance, Jockey A. Fancourt stated that the filly raced in its normal racing position towards the rear of the field. She stated that SINGLE AGAIN travelled well until the 400m, however, when placed under pressure upon straightening was disappointing in the early part of the straight. A. Fancourt further stated that over the final stages made steady ground and in her opinion, the filly may not have appreciated today's track condition and may also appreciate a step-up in distance for future starts.

Sears advised that last start the filly was ridden further back than anticipated from a wide barrier, and met with some interference in the early and middle stages, however still ran on well late. He added that at its first start, the filly sat up on the speed and performed quite well. He further advised that today he removed the blinkers and added blinkers to the filly's gear, and when able to be ridden more forward and down in grade, he had expected a forward showing.

S. Comments:When questioned regarding the tactics adopted, apprentice A. Thompson stated that he pressed forward as per instructions, adding that he initially intended to sit outside the leader, but for a short distance from his wide barrier pressured his mount in an attempt to go forward and maybe obtain the lead but was not able to do so, and then restrained to a position outside the leader, albeit racing keenly in that position. He added that the horse raced in its usual racing pattern. Trainer J. Judge confirmed the instructions and advised that he was satisfied with apprentice Thompson's ride, however
