She indicated the horse was slow to begin at its most recent start and was unable therefore to obtain the lead which, in her opinion, the horse races bests when able to lead. She felt that this had a detrimental effect on the horse's performance. Mrs Hickey further added that she had slightly changed the horse's training regime in the lead up to today's event.

S. Comments:Slow to begin. When qstnd, J. Kah stated that her instructions were to race in a forward position as per its normal racing pattern. She said after jumping away fairly she worked her way forward, however, both COLDSTONE and PRIORTISE raced up to her inside, resulting in her being caught wide early. She then attempted to obtain a forward position whilst allowing PRIORTISE to go forward. She added that it was her intention to try to settle off PRIORTISE, however, her mount commenced to race keenly despite her efforts. Thereafter she elected to let her mount stride and go to the front.

S. Comments:Raced with its head in the air whilst being restrained in the early stages. Jockey A. Allen reported that his mount commenced to overrace after being crossed in the early stages, and he had some difficulty settling the gelding. He added that the gelding raced very one paced today and, in his opinion, may be better suited leading its events rather than being ridden with cover as it was today.
