S. Comments:When questioned in relation to the seemingly improved performance, the stable representative for trainer Mr John Moore, Mr George Moore could offer no tangible explanation for the horses most recent start where it performed disappointingly. He went on to say that prior to this start the stable was satisfied with the horse's form and when prepared to forgive the horse's previous start the stable had expected a forward showing in today's event. He added that the gelding had previously performed well at this track and distance, which he felt was also to the benefit of the gelding in today's event
