S. Comments:Jockey E. Ljung reported that after beginning well, it was her intention to obtain a forward position, however due to the superior pace drawn to her outside, she was forced to race in a midfield position. She added that the gelding travelled only reasonably during the race, and when placed under pressure in the home straight ran on only fairly. Following the event, connections advised that the gelding had sustained superficial abrasions to both hind legs consistent with it being galloped on.
