S. Comments:Rider J. Byrne reported that the horse did not travel comfortably throughout the event and indicated that the horse was holding its breath at various stages of the event. He added that he had concerns throughout in relation to the horse's breathing. He also advised that he recommended to connections to restrict the horse's races to distances up to 1400m. On post-race veterinary examination the horse was found to have blood in its mouth.

S. Comments:Rider afforded opportunity to comment re performance - explained the colt began only fairly and therefore elected to race towards the rear of the field to obtain cover. Added when pace of the race steadied from 1000m to 600m the colt commenced to overrace and in his opinion was not comfortable in today's track conditions. Further added that the colt failed to sprint when placed under pressure and found the line fairly and also added it may be better suited over further distances.

S. Comments:Bumped heavily at start and became unbalanced. Near 1100m checked after improving onto the heels of DEEP LEAD. Rider questioned re performance - stated after receiving interference at start was unable to take up a forward position as anticipated. Added attempted to comply with instructions and improved forward however, filly failed to show necessary speed and instead of being caught wide elected to obtain a position with cover towards rear of field. Added filly ran on fairly over concluding stages and in his opinion would appreciate a step up in distance. Vetted - no abnormalities.
