S. Comments:Due to the delay with the start, the gelding became fractious in the barriers and reared prior to the start being effected. Slow to begin. When asked to explain the horse's performance R. A post-race veterinary examination did not reveal any significant finding.

S. Comments: When afforded the opportunity to comment on the horse's disappointing run, rider R. Wiggins was unable to offer any tangible explanation other than that he suggested to connections to experiment with gear changes but felt that the gelding was disappointing. Trainer W. Hulbert agreed with jockey Wiggins' assessment and advised that it will be the intention to experiment with a gear change for the horse's next run.

S. Comments:Trainer questioned re improved performance - reported whilst pleasantly surprised he was of the view that its inside barrier draw, which enabled it to race closer to the lead as compared to its previous starts, was beneficial to its performance today. Mr Miller advised it would now be his intention to step the colt up in distance from that of today's event. His explanation was noted.

S. Comments:Raced 3 wide throughout. Inquiry re tactics adopted, in particular in the early stages when jockey Powell appeared to have opportunity to continue forward when wide and take a position closer to the fence. He said he attempted to steady thinking his mount would not be able to persist forward to lead, and would be more likely to position closer to the fence at the tail of the field, however he was caught 3 wide, but with hindsight agreed it may have been a better option to go forward. Stewards advised him whilst they felt he erred, they felt it was not unreasonable in the circumstances.
