S. Comments:As the mare had not raced in over 12 months, it was examined by the veterinary surgeon and cleared to take its place in the field. Slow to begin. A post-race veterinary examination of the mare, which performed below market expectation, revealed that it was exhibiting a slow post-race recovery. Trainer B. Lockwood advised that as the mare had not had a start in over 400 days he was not overly disappointed in the performance, and said that the mare would benefit from this run. S. Comments:Began awkwardly. When questioned as to the seemingly improved performance, Trainer I Livingstone stated that the mare failed to perform as expected during a campaign earlier this year in Melbourne. Mr Livingstone added that since returning to his stables the mare had impressed him in its work and subsequent trials leading into today's event and as such he was hopeful of a forward showing.
