S. Comments:Rider questioned re performance - noted first start today and when racing in home straight was reluctant to improve to inside of runners. Added near 300m when racing tight to the inside of OSMOND had to steady mount and from this point it was one paced to the finish. Stewards reminded rider of his obligations to ride his mounts out to the end of the race. A routine swab sample was taken.

Comments:When asked to comment on the performance of his mount, which was below market expectations, jockey Tilley indicated that after shifting out to improve near the 600m the horse responded to his riding and after improving to the outside of DUKE OF KINGSFORD, shied away from that runner and proved very disappointing from the 400m.

A post race veterinary examination of the horse, which finished a distant last, failed to reveal any significant abnormalities. Trainer R. He also added he would inform stewards in the coming days of any abnormality that becomes apparent.

Comments:Began very awkwardly and made heavy contact with the barrier partition, almost unbalancing its rider. When asked to explain the performance of the gelding, jockey J. Byrne expressed his view that the speed slackened quite appreciably mid-race and therefore he elected to come out to improve into the race passing the 700m and at the same time the leaders quickened and his mount then struggled to get into the race from that point. He added that in his opinion the gelding's chances were not suited by the slow tempo in the middle stages and the quick sprint home.
