A post-race veterinary examination of the gelding, which commenced to weaken from the 400m, revealed no significant abnormalities at the time of examination. A swab sample was taken from the gelding. Stable representative M. Currie was advised that the gelding must compete in an official barrier trial to the satisfaction of Stewards prior to its next start.

S. Comments:Slow to begin and, as a result, settled further back in the field than anticipated. When questioned by Stewards regarding the seemingly disappointing performance, jockey E. Ljung advised that after being slow to begin the mare settled towards the tail of the field, and never travelled comfortably at any stage of the race. She added that when placed under pressure near the 700m the horse failed to respond to her riding and proved disappointing. Jockey Ljung went on to say that, in her opinion, the mare may not have backed up, having its third run in consecutive weeks.
