S. Comments:After beginning well, the gelding obtained a forward position without being overly pressured and then commenced to race keenly and, as a result, settled further forward than anticipated. When questioned by Stewards regarding the seemingly improved performance, Trainer M. Boland advised that, in his opinion, the gelding was suited to the step up in distance from 1000m to 1300m today. He added that the gelding has been a slow maturing horse and, as a result, derived significant benefit from its recent racing experience.

She added that, in her opinion, the mare has benefited from its spell prior to today's race, and advised that the stable had modified the horse's track work program in preparation for this event. Stewards noted the explanation.
