S. Comments:When questioned regarding the improved performance, stable representative Ms M. Phillips informed stewards that the gelding had been disappointing at its most recent starts, however today felt that the gelding had improved with fitness and also benefitted with the addition of the cross-over noseband and that the gelding was able to dictate terms by leading in today's event. Stewards noted the explanation.

A post-race veterinary examination revealed that the horse was lame in the off foreleg and also suffering heat stress. Trainer F. Phillips was advised that he must produce a veterinary clearance for the gelding prior to its next start.

S. Comments:Raced three wide without cover for the majority of the event. When questioned regarding the improved performance, trainer M. Kropp stated that whilst the horse has only had three starts for his stable, he had elected to make significant gear changes of removing the blinkers and tongue tie off the gelding for this start, and he attributed the improved performance to these changes. Stewards noted the explanation, but nonetheless advised Mr Kropp they would expect the horse to hold its form.
