S. Comments:M. Cahill reported that after obtaining the lead comfortably without pressuring his mount, the gelding refused to settle and led by a margin further than he anticipated. He added that in his opinion the gelding does not run out a strong 1600m and he recommended to the stable that they restrict the gelding's races to distances shorter than that of today's event.

Added as gelding having first start over 1400m of the opinion going forward would have been detrimental to its chances to finish race off.
