S. Comments:When questioned regarding the run, apprentice A. Thompson stated it was his instructions to race in a forward position, however, after working to a three wide position he elected to push forward approaching the 800m to the outside of the leader. As a result, he was then reluctant to overly restrain his mount as it had previously had a tendency to get its head up in track work when being restrained. He added that he would have preferred to have obtained a position on the rail or sitting off the header, however, he was unable to do so and the horse thereafter gave ground in the straight. Trainer

Thornton, rider of SCALLOPINI, was found guilty of a charge of careless riding, in that at a point near the 1000m he commenced to shift in, placing pressure on the runner to the inside, CRACK ME UP, and continued to place pressure on that horse until CRACK ME UP was unable to maintain that position at a point near the 700m, resulting in Jockey M.
