Rider questioned re performance - stated gelding raced ungenerously early however, he was of the opinion it failed to handle the heavy track conditions and as such did not place the gelding under pressure leaving the 600m. Trainer advised he was unable to offer any tangible explanation for the gelding's performance today other than the heavy track and that he was disappointed with its performance. Vetted - slow post-race recovery.

S. Comments: Restrained at the start to race at the rear of the field and to obtain a position closer to the rail. Held up for clear running near the early part of the home straight and passing the 250m, shifted out and made heavy contact with A BIG CHANCE. As a result, rider A Mallyon had to shift inwards and alter his course to gain clear running.

S. Comments:When asked to explain tactics adopted rider J Byrne stated it had been his intention to race in a more forward position however after it became apparent that he would be caught wide when runners improved to his inside he elected to restrain to the rear of the field. He added JETTY was not suited by the slow tempo in the early and middle stages and when improving into the race from the 600 metres was forced wider by runners to the inside when rounding the home-turn. A post-race veterinary examination of JETTY revealed a slow post-race recovery.
