S. Comments:Blundered on jumping and lost ground. Rider A Mallyon reported JETTY sweated up badly prior to the event and after blundering on jumping settled further back in the field than anticipated. He added when placed under pressure in the home straight the gelding failed to respond to his riding and was disappointing. Co-trainer Trent Edmonds expressed disappointment in the performance adding he felt the horse sweating up was a major factor and that moving forward he would refrain from starting JETTY at the Gold Coast as the horse had paraded in a similarly poor manner previously. Jockey N callow advised that the gelding failed to travel during the early and middle stages and was hard ridden from the 700m. He added that in the home straight the gelding made some late ground however in his opinion was disappointing and maybe looking for races over a further distance than that of today's event. A post-race veterinary examination failed to reveal any abnormalities.
