S. Comments:Connections advised that from the wide barrier it was the intention to ride the gelding further back in the field if circumstances permit. Ridden accordingly. Jockey N callow advised that the gelding failed to travel during the early and middle stages and was hard ridden from the 700m. He added that in the home straight the gelding made some late ground however in his opinion was disappointing and maybe looking for races over a further distance than that of today's event. A post-race veterinary examination failed to reveal any abnormalities.

S. Comments:Slow to begin. Rider Z Lloyd reported with the slow early tempo the horse was inclined to over-race in the early stages and did not travel comfortably from the 1000m and failed to respond to his riding when placed under pressure. He added he was of the opinion that having its first start back from a spell over 1800m on a wet track also contributed to the disappointing performance. A post-race veterinary examination revealed no abnormalities. A post-race swab sample was taken from NEMINGAH.
