A post-race veterinary examination of the filly revealed no apparent abnormalities.

S. Comments:Laid in slightly passing the 900m, tightening SATURN OPS in on to CASTLETON. After racing three wide without cover in the early and middle stages was allowed to stride forward to a position outside the lead passing the 700m. When questioned, trainer B. Hill stated that the gelding was first up from a spell and had been working well and also had trialed well recently. Mr Hill added that the gelding had always shown ability in previous campaigns but had proved disappointing in some of its runs, however, after performing well in its recent trial, when ridden by apprentice Hodge, he was optimistic

Jockey Harrison was of the view that the gelding may not have appreciated today's track conditions and noted that it has performed best when its runs have been further spaced. Stable representative Mr A. Kermond explained that the gelding may not have appreciated the short back-up from last start. He said the horse had worked well leading into today's event and it may be the stable's intention to freshen the horse u

He added that with the fast tempo today the horse travelled in a comfortable position without being exposed too early, which was consistent with its runs prior to its last start in which it perform creditably.
