Mr Essery added that with the fitness benefit from that run, a forward showing performance was expected today. Stewards noted the explanation.

S. Comments:When asked to comment on the apparent improved performance, Trainer S Essery advised in its previous preparation the horse raced over unsuitable distances and that at its most recent start when first up after a significant spell the stable was not entirely disappointed in its performance when beaten only 3.7 lengths. Mr Essery added that with the fitness benefit from that run, a forward showing performance was expected today. Stewards noted the explanation.

When questioned regarding tactics adopted rider K Cowan stated instructions were to attempt to lead however when runners improved to her inside approaching the 800 metres she was caught racing three wide without cover. Stewards, in assessing the ride of apprentice Cowan, advised in future she should show greater flexibility as the race unfolds, and not become too tied down to instructions and thus afford her mounts the best opportunity to finish their race off.
