S. Comments:When questioned in relation to the seemingly improved performance, stable representative for Mr S Morrissey reported that at its most recent start the gelding was racing at metropolitan level and for that reason he felt the drop back in class was a significant advantage for the gelding in today's event. He also added that the geldings only other win was also at the gold coast and therefore in his opinion the gelding is suited best when racing at this venue.

Comments:When questioned regarding the performance and the tactics adopted on the filly, jockey J Taylor advised stewards that his instructions were to find cover and after failing to muster early speed, he elected to take up a midfield position in order to comply with instructions. Jockey Taylor further added that the filly failed to travel comfortably when racing in this position and was disappointing in its finishing effort. A post-race veterinary examination failed to reveal any abnormalities. | | | |
